AT SEAGIRT IN 1904.

The Standing of the Teams Last Year.

The sending of a team from Hawaii is arousing considerable patriotism among the militia admirers throughout the Territory. Some of Hilo's individual scores rank considerably higher than the prize team work at the meeting at Seagirt last year. W. J. Todd will represent the Hilo Company of the National Guard, and his very good score if maintained in connection with the good scores in Honolulu Companies, ought to bring Hawaii up among the first six this coming year. The average per man of the teams shooting at Seagirt last year is as follows:

1. New York N. G.	36.16
2. U. S. Navy	35.783
3. U. S. Army Infantry	35.75
4. U. S. Army Cavalry	34.566
5. U. S. Marine Corps	33.983
6. D. of C. National Guard	33.791
7. Penn. National Guard	33.19
8. Rhode Island National Guard	33.142
9. Mass. National Guard	32.15
10. New Jersey National Guard	31.725
11. Washington National Guard	31.05
12. Maryland National Guard	30.99
13. Georgia National Guard	30.26
14. Connecticut National Guard	30.12
15. Iowa National Guard	29.45
16. Florida National Guard	27.965
17. Michigan National Guard	26.32
18. Kansas National Guard	22.44
19. Alabama National Guard	18.15

The prizes offered last year were a little better than this year. The 1st prize was \$500 cash and the National Trophy; the 2nd prize was \$300 cash and the Hilton Trophy; the 3rd prize was \$200 cash and the "Soldier of Marathon;" the 4th prize was \$150 cash; the 5th prize was \$100 cash; and the 6th prize was \$50 cash, in addition to which each member of the winning teams was given a medal.

Death of Wm. C. Cook.

William Carleton Cook after an illness of about three weeks died at the Hilo Hospital on Thursday, July 27th, 1905. He was born in Arbroath, Forfarshire, Scotland, in 1864, his mother being Scotch and his father English. Shortly after his birth his parents moved to Oldham, Lancashire, England, where he received his early education. When about eighteen years of age he left England and has roamed considerably over the world, having been in South Africa, India and Australia. His trade was cotton making, and he was employed in the pursuit of his trade while in Calcutta. Later on and for several years he occupied the very important position of boundary ranger for a large sheep ranch in Australia.

In 1898 after having been in San Francisco for about eight years he went to Mexico, and being dissatisfied with the conditions there came to Hawaii. Mr. Cook was time keeper and assistant book-keeper at Papaikou for about six years and prior to that he was employed by Papaaloo Sugar Company. On the retirement of Mr. Haworth, Mr. Cook took charge of the editorial department of the HILO TRIBUNE, but owing to his poor health was forced to retire on the 1st of June, 1904. Since that time he has been in very poor health, and unable to do much work. He was employed by the Public Works Department as inspector on contract work, and at the time of his death was care-taker for the Hilo Hospital. He was an active member in Hilo social circles and his histrionic ability made his assistance an essential to the success of any dramatic performance given in Hilo. He was also an active politician, and he proved as strong a factor during certain stages of our local political campaigns as he did when representing the Railway Employees Republican Club in the campaigns in San Francisco.

Mr. Cook left two children surviving him, named Clarice Cook and James Carleton Cook, who are residing with his sister, Mrs. Lucy Rhodes in Lancashire, England.

His funeral took place under the auspices of the Hilo Lodge of Elks, of which he was a member. Rev. Mr. Shields delivered a beautiful address over his remains at the First Foreign Church. He now lies in the Elk's lot, Homelani Cemetery, Hilo.

Hilo High School.

The Board of Public Instruction has not as yet determined upon an exchange of a lot for the Masonic Lot, which is desired for a High School site. The committee has decided to go ahead with securing a site and use every endeavor to promote the speedy construction of the school. Superintendent Holloway will be asked to suggest government land that may equitably be exchanged for the Masonic plot where Hilo seems to want its school building placed.

Acting Governor Atkinson is opposed to land transfers between the Government and private parties. He has directed a rigid examination into the relative values, size, location and expediency of the proposed exchange of the library lot for the Masonic Hall Association premises for school purposes.

Nothing That Will Take Its Place.

We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in our family for years for all bowel troubles, and it always gives the best of satisfaction. We never could find anything to take its place. D. S. Booth, editor and proprietor of the Echo, Alice, Texas, U. S. A. For sale by Hilo Drug Co.

J. H. Moragne, now in Honolulu, has accepted a permanent position in the Territorial Survey Department with headquarters at Hilo.
